

## Ferrule T Talurit™

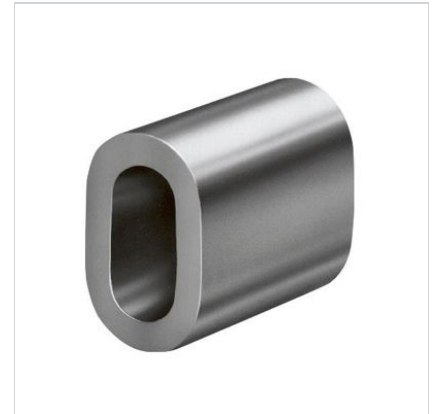

The turnback ferrule system is easy to use. It is quick, safe and has proved itself to be totally reliable. It is far more efficient than all other swaging methods on the market. T ferrules less than size no. 5 are allowed to be swaged with hand tools. T ferrules larger than size 60 need to be swaged using a special multi-stage swaging method.

**Material:** Aluminum.

**Marking:** According to standard

**Standard:** EN 13411-3
